FIG. 31B

FIG. 30A is a schematic diagram of a grid of squares. FIG. 30B is a schematic diagram of a parallelogram with a curved arrow indicating rotation. FIG. 30C is a schematic diagram of three line segments labeled (1), (2), and (3). FIG. 31A is a schematic diagram of a square with a grid of white squares on a black background and X-Y axes. FIG. 31B is a schematic diagram of a square with a grid of white squares on a black background.

FIG. 32B

FIG. 32C

FIG. 32D

FIG. 32A is a schematic diagram of a square grid with a diagonal pattern of white squares on a black background. An arrow labeled 'S' points towards the top-right corner. A coordinate system with 'Y' and 'X' axes is shown at the bottom-left corner.
